FUND, AND THE WARROAD EDUCATION FUND ANNOUNCE
2024 SPRING GRANT ROUND**

March 15, 2024 – Warroad MN – The Warroad Area Community Fund, Gaylord Gunderson Education Fund, and the Warroad Education funds announce a 2024 grant round for local nonprofits and public entities serving the Warroad School District area.

“We encourage all Warroad area nonprofits and public entities to submit applications for projects that focus on our youth, arts, education and overall community vibrancy”, said Brenda Baumann, chair of the local advisory committee.

The online grant application is located on the Northwest Minnesota Foundation website at www.nwmf.org by clicking on “grants.” Applications must be submitted by April 26, 2024, for funding consideration. The local fund advisory committee will be meeting in May to consider the awards and will announce in June.

Look for a pop-up display that will travel around the community featuring past projects. Locations will be announced on the Warroad Area Community Fund Facebook page.

Grants are made possible through generous donations of Warroad residents, businesses, and friends who desire to give back to our community. To learn more about the funds and how you can contribute, visit <https://nwmf.org/donors-giving/find-a-fund> and select Roseau County.
