2024 HUD CoC NOFO
NWCoC Local Competition

HMIS & SSO-CE Projects
New & Renewal Application

This application form will not be submitted to HUD. The CoC Application Form is used to gather information for our Continuum of Care project review process. Please read this form in its entirety before you start to complete it. See additional instructions on the NWCOC website. Please direct any questions to Barbara at barbaraj@nwmf.org.

Because HUD may issue additional information the NWCoC reserves the ability to add to this application to collect necessary information to complete the consolidated application.

The Scoring Criteria and all referenced policies can be found on the NWCoC website. Use the Scoring Criteria to help guide your responses.

HUD CoC Threshold Eligibility Criteria
Non-scoring

System for Award Management (SAM)
Please upload a screenshot of your registration status from the SAM website.

Homeless Management Information System (HMIS)
Program participants must participate in the local HMIS, unless a recipient is a victim service provider or legal service provider, in which case these recipients must use a comparable database.
