The Roseau Area Community Fund provides grants to nonprofit or public entities within the Roseau School District Area. Grants are awarded for projects, programs or activities that improve the quality of life enjoyed by Roseau area residents and visitors. This year the Roseau Area Community Fund has up to \$8,100 available for grants, and the Roseau Area Education Fund has up to \$1,300 available for grants.

Grants will be considered in the area of Leisure and Recreations, Aesthetic Development, Arts, Culture and Education, Youth Activities and Senior Enrichments. We are looking for projects that are inclusive to all types of diversity and that serve a number of participants or organizations in the Roseau Area.

The deadline for submission of proposals is November 30, 2024 . The grants will be awarded shortly after that date. Applications will be available at <https://form.jotform.com/242965776880172>

For questions about the application, please contact Char Hass (218-463-3359).

Grants are made possible through the generous donations of Roseau residents and friends who desire to give back to our community. The Roseau Area Community Fund is a component funds of the Northwest Minnesota Foundation, a 501(c)3 organization. The funds' mission is to improve the quality of life in the community.
